When undertaking an office move and relocations, you need to be sure that the partner you choose provides excellent service for an appropriate price. Whilst there are hundreds of office removal companies in London and the south east, **MFX Relocations is different.**

Why; because MFX Relocations roots lie in IT and the movement of computer systems. From this basis we have expanded our service portfolio to include other aspects of an office removal or business move.

Key features: -

- Experienced removal teams that can skilfully move all manner of office equipment.
 - IT relocations (decommission and re-commission) – using our unrivalled industry knowledge in IT relocations, we can undertake any size of IT relocation including **desktop IT** and **servers/data centres/computer rooms**.
 - Crate hire services – we offer competitive rates on business crate hire, whether you need them as part of a removal or just need to hire some for a week.
 - Furniture installation and moving services - if you are purchasing new or relocating old furniture, our team of experienced fitters work closely with you to install or relocate office furniture to the highest standard.
- Floor box moves and changes – if you need to relocate floor boxes as part of an office move or churn, our fitters are trained to relocate them.

Key benefits: -

- MFX Relocations offers the only real 'turn-key' solution to office removals in London and the South. This encompasses office moves, IT relocations and furniture installations.
- Your IT systems will be in safe hands as we know that it is the most important aspect of any office move and therefore we consider its safe relocation paramount.
- You will not pay a premium price for these enhanced removal services. We are as competitive as any other business relocation company in London and the south east.

Having undertaken **desktop** and **server** relocations and office removals in a broad range of industries and sectors, our teams are capable of dealing with any move related situation that might occur.

You will find that MFX Relocations can offer your organisation a totally refreshing approach to office moves, which does not come at a premium price.
